

2016 MAPS BREEDING STATUS LIST

List all species ever encountered at the station!

Location: _____ **Station:** _____

<p>Period Status Codes: Please record only the highest hierarchical breeding status observed during each period (C supersedes P and O; P supersedes O), and the appropriate daily sub-codes (hierarchically listed) describing the behavior or observation indicating that status (e.g., Cn, Pc, or Ob). If a species wasn't observed, use a '-'. If a station was operated two or more days in a period, record only the highest breeding status observed.</p>			
<p>C = Confirmed Breeder n = current year's nest found m = carrying nest material f = carrying food or fecal sac d = distraction display l = local bird present</p>	<p>P = Probable Breeder c = courtship/copulation t = other territorial behavior s = song/drumming</p>	<p>O = Observed b = banded/captured e = encountered o = flyover</p>	<p>---- = Absent</p>
